## We're back! Bigger and better than ever

You know what they say – “Go big or go home.” Well, for our 2016-17 season, we’re going big. Big as in:

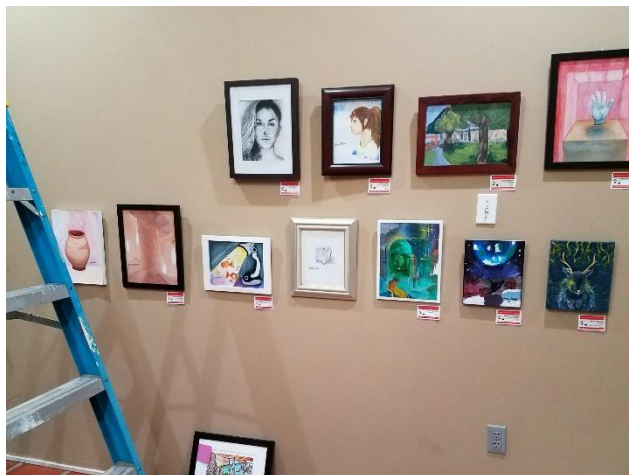

- Adding new gallery and class space by expanding into the building adjacent to our existing space.
- Adding a sculpture garden (sponsored by Vern Lewis Welding Supply) in the open space west of the new gallery area.
- Transforming our former space into our gift shop.

What does this mean for you? It means more art and gift items for you to choose from. It also means more space – and more comfortable space – for our workshops.

To see what we’re talking about, you need to come in and check it out for yourself.

**Hours:** 10 a.m. – 5 p.m., Tuesday through Saturday.

## They followed their art – to Catitude

Our ‘Follow Your Art Jr’ show at the Goodyear Branch Library wrapped up Oct. 2.

If you missed seeing the show, don’t worry. You can still see their work. Our young artists’ creations are now on display at Catitude.

But like all good things, their show will come to an end. The last day to see our next generation of artists’ work is Nov. 12.

## Looking ahead
